TOWNHALL TEEN SAFETY & SOCIAL MEDIA- Risks & Responses

On October 24, our local Resident's Associations presented a Teen Social Media Safety Townhall. We have several experts that present very valuable information that we have had several requests to share more broadly. Please click on the link to access Ms. Jessica Green founder of Green Ink Consulting's presentation.

We would also like to again thank the Residents for coming out to this event and thank you to the speakers for sharing their time and expertise. Thank you to Staff Sergeant James Hogan – Community Response 53 Division, Police Constable Alex Li, Crime Prevention/Community Relations, 53 Division, Ms. Jessica Green – Founder Green Ink Consulting, Dr. Michael Leatch – Managing Partner MJL Consulting – Partner and Psychologist, Mr. Pete Bombaci – Founder; The Generator Project.

THINK BEFORE YOU POST

- ▶ Would you want your grandmother to see it?
- ▶ Is it private?
- ▶ Does it involve other people?
- ▶ Would you say/do it in public?
